Wolves Update . . .

Last weekend the team travelled to Sydney to play Sydney United. The game was one which all concerned felt we not only needed to win but one we were capable of winning. Unfortunately, the continuing run of bad luck ran against us once again and in a game where the boys played the better football on the day the opposition scored their second goal after Sebastian Sizonic slipped over on the turn allowing his man a free run at goal. Although Les Pogliocomi made a great effort in saving two shots off rebounds the third fell cleanly to the feet of the opposition who put the ball into the back of the net.

Contrary to many reports during the week, the team, although not back to the heights of last season, were the better team on the day, especially in the second half where they dominated possession and started to knock the ball around as we have come to expect and enjoy.

The big positive for the day was the excellent debut of youth team player Paul Reid. Paul came to the junior section of the club three years ago and has been the playmaker in the youth team for the last two years. Along with Chad Bishop he was put on contract this year and last week looked like he had been playing in the first team for many games

The Wolves were obviously disappointed at not getting the points but look forward to better results as the team shows improved performances more and more each week which in the near future should see us on our winning way and on the way to the top six.

WOLLONGONG v CANBERRA COSMOS . . .

Canberra football goes back a long way, but its NSL history has been spotted at best. In 1977 Canberra City lined up in the newly formed league and finished second from bottom with just five wins. The following year they won the same amount of games and finished in the same position. 1979 saw the side win one extra game and finish a place further up the table. 1980 saw more gradual improvement, with seven wins and a 10th place finish.

1981 was a great year, Canberra City finishing in their best ever fifth place, ten points off top spot. (This was the Wolves debut season in the NSL). That season Wollongong lost to Canberra 0-1 at home and 2-0 away. The next season saw a reversal of fortunes as Wollongong finished third (ironically enough 10 points behind the champions) whilst Canberra languished at the wrong end of the table, ending in second bottom position. Wollongong won both head to head clashes that season.

1983 and Canberra finished mid table and also won both games against Wollongong. The Northern Conference of 1984 saw neither side make the top five. Another winning double went Canberra's way, including a 4-0 home victory. The following season and Wollongong lost at home once more but did manage a draw in Round 21. 1986 saw Canberra City play their final league season with Wollongong gaining another draw against the club, and then, for the first time in four years, the Wolves picked up a win in the penultimate round of the season.

In 1995 David Hill gave the Canberra Cosmos a five year tender in the NSL. Neither Canberra nor the Wolves had great seasons and of the three games played in that season Wollongong could only attain one point. The Cosmos finished bottom in 1997 and Wollongong managed their first winning double over Canberra since 1981. Last season Wollongong did the double once more with a 1-3 win in Canberra and the memorable 8-0 thrashing at Brandon Park in Round 12.

Overall the history book looks favourable for the Canberra side, but much more recently the Wolves have held the whipping stick. Wollongong are looking to make it five wins in succession over the Cosmos.

Youth Team Report . . .

Coach Stuart Beedie is very confident in his team after their win last weekend. The team are a good strong unit and their position on the table is not reflective of the teams performance on the pitch as they are three games in hand. A win on Friday night will see the team reaching a good position in the League table and secure their hopes for a top six position.

Ray Younnis is back from suspension and it looks like Paul Reid might be spending more time in the seniot squad giving other players more opportunities to get on the pitch in front of a home crowd prior to the Olyroo v China game last Friday night.

Colts Team Report . . .

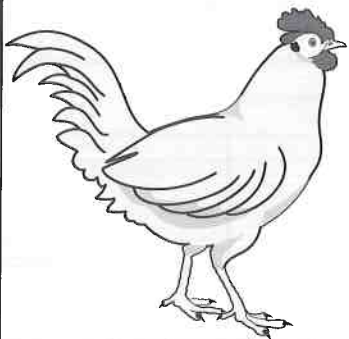

A most entertaining and even first half where the strong Olympic outfit struggled to score, and were only rewarded for their first half efforts with a Wollongong own goal towards the end of this period.

The second half was another matter where the young and inexperienced Wolves players were severely punished for every lapse in concentration, and there were quite a few.

Keep the heads up, we will learn from such games, and contrary to the misguided opinions of the local press, will not suffer adverse effects from such experiences..

Some great news for two of our youth team players, Christian Zelvis and Steven Dimitrievski. They have been selected to play in the Australian Schoolboys team who will be playing against the NZ Under 17's in New Zealand and one week in Fiji playing the Fijian team. Congratulations to the boys and we look forward to seeing them using their international experience on the pitch in the Youth team side.

It was great news too for Kosta Salapasidis and Sebastian Sinozic to be named in the starting lineup for the Olyroo squad this week. It's good to see our boys being part of the team that will represent our country in the year 2000.

Congratulations to Saso Petrovski for his first Ericsson Cup goal. It's been a big year for Saso so far with his recent marriage and reaching his long term goal of playing in the first team of an Ericsson Cup club. We hope this will signal a great future with the Wolves.

Some of the players including Matt Horsley, Michael Brooks, Robbie Stanton and Esala Masi showed other ball skills on Tuesday as they participated in the Annual Celebrity Golf Day at Wollongong Golf Course. Alvin Ceccolli preferred to stay safe and sound away from the howling winds and delivered drinks in the Indent Tiles Drinks cart. It was a great day had by all and thank you to all of you who were involved on the day!

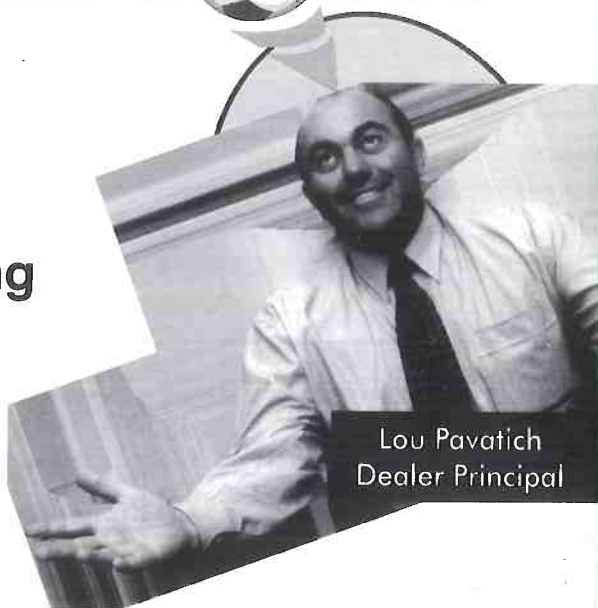

We're committed
to supporting
our future champions.
